## DESCRIPTION

These eager customers paid \$50 for a new Telephone Cash-Flow System guide that has the potential to make them \$684 (or more) daily. Printed proof is also provided of this income potential. For an extra \$32, the company will also provide a proprietary software CD with their guide that can help each participant estimate and track future income with this system.

This wealth building program is a simple and easy system that anyone - young and old, can use to make a big push-button income - just by using a telephone - and filing out common simple forms. The customers are also offered a 100% satisfaction money back guarantee. This list should do well for money making offers, business opportunity, affiliate marketing, self-improvement, merchandise catalogs, investment, grant, loan, financial, insurance offers, and anyone who is looking for home-based income.
